The application form should be filled out according to the [IEO Application Guideline](#).

**3.4.** The 1-year participation application process has three stages: preliminary application (deadline: October 31, 2025), early-bird application (deadline: January 31, 2026) and late applications (deadline: April 30, 2026). The Sending Organizations may apply at any stage.

The recommended minimum is USD 500 per team. The specific way and form of payment will be confirmed with the Central Office on an individual basis for every Sending Organization willing to make a donation.

**4.2 The accommodation fees** apply equally to both Team Leaders and Contestants. Two pricing options will be offered: early-bird and regular rates, with early booking strongly encouraged. Hotel accommodation will cost around 450-500 USD per person for the whole stay, based on double occupancy (two participants sharing one room). To ensure the smooth organization of the competition and the safety of all participants upon arrival in China, we require that all bookings be made through the Host Organization. The co-host university will provide access to multiple dining options, including halal, Western, and Chinese restaurants including vegetarian and vegan options. The approximate cost per meal is 3-6 USD with total meal expenses estimated at 100-150 USD per person for the whole stay.

**4.5 Airport transfers** are provided with no additional fees involved after accommodation booking.

**4.6** For teams participating in person, the Sending Organizations are expected to make their best efforts to secure sufficient funding to cover expenses such as airfare, visa fees, accommodation, and meals.
